## AN EXTRA LARGE SHOWCASE

The Bigstore vending machine is an automated store with a spacious showcase, perfect for big brands. It is suitable for selling any type of product and offers an engaging shopping experience.

## DELICATE DISPENSING, IDEAL FOR FRAGILE PRODUCTS TOO

A robotic arm moves the shuttle toward the desired product, which will be gently transported to the pickup compartment.

## 22" TOUCH SCREEN

Thanks to the 22" touch screen, customers can view and choose products directly from the screen, with the ability to read the description of each product and view photos and videos.
